

**Bruce Beckwith**

Bruce's family came to AUCC in 1966 when they moved to Ankeny. He was confirmed in the church as a teenager. He was in the church sponsored Boy Scout Troop and earned the God and Country Award. Other than a few years after high school where he wandered off to see where demons dwell, Bruce has been actively involved in the church. He has been Moderator several times and a perpetual Trustee. He has served on several national church boards and search committees. Bruce has a wonderful wife, Jeanette, three grown children and eight grandkids, all of whom live close to them. He believes God wants to work through all of us if we will just listen, and we should treat all people as we would like to be treated. God has blessed him and his family and he tries to share those blessings with others. He's a problem solver, especially if it involves anything related to construction. He enjoys golf, daily walks, and an ice-cold beer.

His current role is Council Moderator for 2024.
