

Pastor Arik Borstad
(he/him/his)

Arik was born and raised in the UCC, and is proud of its commitment to justice and equality. He received a degree from Elmhurst College with a major in Religious Studies, and graduated from Eden Theological Seminary with his Master of Divinity. He brings his energy and passion to the pulpit and is awestruck by the incredible work that is already being done at Ankeny UCC. As a proud father to two wonderful boys, and as a husband to an incredible wife, Arik's family is his greatest accomplishment and joy. Arik feels incredibly blessed by this wonderful congregation and looks forward to an amazing future together.
